Dear President (b)(6) and Council Members:

**RE: Request for Information Relative to (b)(6), (b)(7)(C) Ex-Director of Detroit Water and Sewerage Department, Working for PCI, A City Contractor**

The Detroit Water and Sewerage Department (DWSD) is providing the following information in response to the question from Councilmember (b)(6), (b)(7) of the Public Health and Safety Standing Committee dated Monday January 11, 2010, and received January 20, 2010.

**Question:** In two (2) weeks, I would like to have a copy of the contract for the work PCI is contracted to do for the City.

**Response:** Attached is a copy of PC-685 a DWSD contract that is a Joint Venture between Jenkins Construction and PCI. This is the only contract where PCI is a prime contractor or at least part of a Joint Venture, which is the prime.

I hope this addresses your concerns. Should you require further assistance, please don't hesitate to contact me.

Respectfully submitted,

(b)(6), (b)(7)(C)  
Director
